FOREWORD

In the following pages we have attempted to preserve many cherished memories of ball games, junior-senior banquets, class plays, and other activities. We have tried to picture Monticello during working hours and during play.

We as seniors will always remember our teachers, our parents, and all others who have given us encouragement, advice, understanding, and have made it possible for us to complete these twelve years at Monticello.

The Mon-Echo staff wishes to present this the thirteenth volume of Monticello's year book for your enjoyment and pleasure in years to come.

DEDICATION

MRS. HOPKINS

After coming here two years ago, Mrs. Hopkins soon won the respect and love of not only the students, but the whole community. In her we have a friend who considers our problems her problems.

For her willingness to listen and counsel at all times, for showing a personal interest in the pupils' welfare and progress, for just being her kind and cheerful self, we, the Senior Class of 1957, dedicate this, the thirteenth edition of the Mon-Echo, to Mrs. Hopkins.

CLASS POEM

In '53 there came a class
Willing to learn and wanting to pass
Each wanting to get wisdom and knowledge
To help them in their years of college.

Now that we have reached that goal
Facing it both brave and bold
We'll always remember our teachers and friends
That have helped us from beginning to end.

We have succeeded and now we part
Leaving the teachers a place in our heart
For helping us on our great mission
We know we'll always use our education.

CLASS SONG

We the class of '57
Will be parting from our school
To search for higher goals,
and do the best we can.

We've gone through many trials;
All twelve years at our school;
We will fight for democracy
and face life ahead.

Chorus: So we give our thanks
to everyone that helped us along
the way. We learned memories of
all our friends, and dear old Monticello.

CLASS HISTORY

Sarah Summers
Historian

On September of 1952, thirty-eight boys and girls gathered on the pier prepared to start on a four year Cruise to Graduation Port. The main object of this Cruise was the pursuit of knowledge.

As our ship, the Mon-Echo, steamed out of Freshman Harbor, we got down to business, combining work with pleasure. We were fortunate in having Mr. Sills as our guide along with our officers for the Freshman journey. They were: President, Peggy Basham; Vice President, Shirley Brown; Secretary, Sarah Summers; and Treasurer, Shelby Hardy. For our motto we chose: "Don't try dying, die trying," and for our class flower we chose the Gardenia.

When we anchored in Sophomore Harbor there was a marked decrease in our number. After electing class officers which were, President, Garnes Rumley; Vice President, Jimmy Faucette; Secretary, Raynita Conklin; and Treasurer, Lloyd Tucker, we settled down to a more peaceful journey in search of greater wisdom and understanding. Mr. Sills must have enjoyed our company so he again was our guide along with Mrs. Crutchfield.

We stopped at Junior Port long enough to let a few students off and elect Rita Roach, President; Jackie Brown, Vice President; Shelby Hardy, Treasurer; and Shirley Brown, Secretary. To work with us, we had Mrs. Sanders.

Thirty started on the trip from Junior Port to Senior Harbor. There was a lot of hard work to be done before this trip was completed. Our Junior-Senior Banquet was held April 20, 1956, at Starmount Forest Country Club. This was very successful. Everyone enjoyed giving the Junior Play, "Leave It To Us." I know that we will never forget the good time we had at Mrs. Sanders' house after the play. The highlight of our Junior year was when we received our class rings.

Thirty proud Seniors reached Senior Harbor and proceeded on toward our goal. Student leaders were President, Rita Roach; Vice President, Henry Lambeth; Secretary and Treasurer, Glenda Murrell and Shirley Brown, and our advisor was Mr. Black.

In this voyage our main objectives were the Senior play and publishing our annual, the Mon Echo. We began to look forward to the banquet, which the Juniors would give us and last but not least Graduation.

We have finally reached the end of our voyage, anchored here in Graduation Port. I am sure we will never forget the past four years at M-H-S. Although, we may never have a place in History books, it will hold its place in the heart of each graduating Senior.

We would like to thank our teachers, parents and friends for making this a very pleasant and successful journey.

CLASS PROPHECY

Amy Barber
Class Prophet

Well, I guess it's the gypsy in me--I don't know any other reason why they chose me to foretell the class prophecy. I will now gaze into this crystal ball to see what the future holds for this grand class of '57.

Turn onward, turn onward,
Oh time in your flight
Let me see the graduated of '57
Ten years from tonight!

Here come figures into view! Let's see now. Are they housewives? Ruby Prichette is married and living with her husband in Leaksville. Mary Belle Johnson and her husband have built themselves a beautiful home near Reidsville.

The armed forces has its share, including Jerry Lee Apple, Cecil Ashley, and Wayne Brann. They are really making a career of it.

Faye Greene is teaching voice lessons in Greensboro.

Russell Barber is the owner and operator of an Esso Service Station in Gibsonville.

The multi-millionaires are none other than Joe Bishop and Maynard Huffines. I can say they surely know how to save money.

Focused next in my crystal ball are some secretaries of our former class. I see Jackie Brown, Jean Wyrick, and Shelby Hardy working very hard at their typewriters. Geraldine Sutton is a private secretary for a large firm in Charlotte.

Three cheers for the athletes! Juanita Shelton, after attending Elon College is now instructor at Woman's College. Thomas Austin and Jerry Faucette are playing on a well-known professional team after playing on the first line-up all four years of college.

The man in the dark blue suit is Henry Lambeth, a famous lawyer.

I see Duke Wagoner and Jimmy Faucette living near Florida, where they are owners of a large clothing store.

Shirley Brown and Glenda Murrell are teaching commercial subjects in a large school in California.

Lloyd Tucker, who is our master farmer, lives near Fayetteville.

H. S. Key is running a trucking business of his own.

I see Naomi Hatcher working very hard in her florist shop in Reidsville.

Douglas Wray is doing fine artistic work in New York.

Karen Smith is teaching the Second grade while Rita Roach is teaching the fourth grade in one of North Carolina's largest Elementary Schools.

Garnes Rumley, our only movie actor, has recently been wooing the ladies.

After graduating from college, Sarah Summers is working as a Home Demonstration Agent in Forsyth County.

Everyone has faded away and gone about his business, so I had better get back to my own work. What do I do? Well, I'm teaching piano lessons at my home near Burlington.

F.T.A. CLUB

The Monticello Chapter of The Future Teachers of America, received its charter two years ago. This chapter was organized for students interested in the teaching profession. The faculty members called on these students to help them in various activities during the school year. This gives the students a better understanding of the responsibilities of a teacher. The officers are as follows: President; Sarah Summers, Vice President; Rita Roach, Secretary and Treasurer; Juanita Shelton, Reporter; Shirley Brown.
